1. The Cryptocurrency Services

1.1 The “Cryptocurrency Services” are additional services which permit eligible NETELLER Account holders to:

1.1.1 buy and sell interests in certain Supported Cryptocurrencies using funds held in their NETELLER Accounts (“Instant Buy/Sell”); and,

1.1.2 withdraw funds from their NETELLER Accounts to buy Supported Cryptocurrencies and send those Supported Cryptocurrencies to their nominated Cryptocurrency Wallets (“Withdraw to Crypto”).

1.2 Please note that – unlike the e-money and payment services which we provide under the NETELLER Account Terms of Use – cryptocurrencies are not currently regulated by the UK Financial Conduct Authority (“FCA”). The Cryptocurrency Services provided to you under these Cryptocurrency Terms of Use is likewise not regulated by the FCA.

1.3 No Financial Advice. As part of the Cryptocurrency Services, we may provide information on the price, range, or volatility of the Supported Cryptocurrencies and events that have affected the price of cryptocurrencies generally. Any such information provided is solely for your personal use and you may not redistribute it to any third party. We will not however provide you with any advice in connection with the Cryptocurrency Services therefore any such information (whether provided directly by us or via a Cryptocurrency Exchange) should not be relied upon for any investment decision – any decision to buy or sell an interest in a Supported Cryptocurrency rests with you. If you are unsure about whether a transaction involving cryptocurrencies is suitable for you and your circumstances, you should contact an independent financial adviser.

operating rules ('forks'). 6.1 We may elect to add or remove cryptocurrencies as Supported Cryptocurrencies for the Instant Buy/Sell service from time to time. Where we remove a cryptocurrency as a Supported Cryptocurrency (a "Removed Cryptocurrency"), we will notify you by email.

6.1.1 Once we have provided notice to you, we may immediately cancel any Alert, Conditional Order or

Recurring Order Instruction in respect of the Removed Cryptocurrency.

6.1.2 You shall be obliged to sell any interest you have in the Removed Cryptocurrency within 14 days of the notice referred to in subsection 6.1 or such shorter period as is required in the following circumstances:

6.1.2.1 a Cryptocurrency Exchange withdraws a Supported Cryptocurrency from trading;

6.1.2.2 where a regulator so specifies; or

7.3.3 the redeemed funds will be deemed to be paid by you to us, in consideration of which we will assign to you our beneficial interest (including any rights, title and benefits arising therefrom) in the Supported Cryptocurrency.

Note. Following fulfilment of a Buy Order, a Cryptocurrency Exchange shall hold the Supported Cryptocurrency in a pooled account on an “omnibus” basis. This means that it may be held alongside cryptocurrency belonging to other Cryptocurrency Exchange customers (as well as cryptocurrency belonging to the Cryptocurrency Exchange itself). For more information, please see our Risk Statement.

7.4 In order for us to fulfil your Cryptocurrency Transaction, you must have sufficient funds in your NETELLER Account or your Cryptocurrency Account. If you do not have sufficient funds, you cannot submit an Order Instruction (unless you upload additional funds or Cryptocurrency).

7.5 We will make reasonable efforts to fulfil all purchase Order Instructions, but in some circumstances, we may be unable to do so; for example, due to a problem at the Cryptocurrency Exchange.

7.6 The value of interests held in your Cryptocurrency Account will be displayed on your NETELLER Account dashboard alongside your e-money balances which are denominated in Fiat Currency.

7.7 When you submit an Order Instruction to sell a specified amount of interests in one or more Supported Cryptocurrencies, you will assign to us your interest in the Supported Cryptocurrency and authorise us to:

Account dashboard. Subject to subsection 8.7, you may vary, suspend or cancel a Recurring Order at any time.

8.9 Note. We shall execute any Order on the terms of the Order Instruction received by us. This means that:

8.9.1 you cannot cancel, change or reverse a Cryptocurrency Transaction once an Order Instruction has been accepted by us; and

8.9.2 we are not obliged to modify, suspend or reject any Order Instructions that we have received.

8.10 If you do not have sufficient funds in your NETELLER Account or your Cryptocurrency Account at the time a Conditional Order and/or a Recurring Order is scheduled to be executed, the Instant Buy/Sell Order will be cancelled. This means that we will not be able to complete the Cryptocurrency Transaction at the Buy Price/Sell Price as set out in the original Conditional Order Instruction and/or at the date set out in the original Recurring Order Instruction.

9. P2P Transfers

9.1 Our P2P Transfers service enables you to send and receive a specified interest in one or more Supported Cryptocurrencies to another Existing Member.

9.2 You may submit a P2P Transfer Instruction by selecting the Supported Cryptocurrency, specifying the amount you wish to transfer, selecting the Existing Member to whom you wish to send your interest and confirming the P2P Transfer.

9.3 When you confirm the P2P Transfer, we will immediately carry out the P2P Transfer. You won't be able to cancel the P2P Transfer Instruction once it has been received by us.

9.4 When you submit a P2P Transfer Instruction, you authorise us to deduct from your Cryptocurrency Account:

9.4.1 the amount of interests in Supported Cryptocurrencies as specified by you, which we will send to the Existing Member you have nominated; and

9.4.2 the per transaction [Fee](#), payable to us.

9.5 Provided you have sufficient interests in the relevant Supported Cryptocurrencies (i.e. the P2P Transfer would not lead you to having a negative balance in your Cryptocurrency Account), we will carry out the P2P Transfer on your behalf.

9.6 Where you have been specified as a recipient in a P2P Transfer Instruction, you authorise us to accept the assignment of beneficial interest in Supported Cryptocurrency on your behalf.

10. Crypto to Crypto Transactions

10.1 Our Crypto to Crypto Transactions service enables you to purchase an interest in a Supported Cryptocurrency using an interest in another Supported Cryptocurrency to fund the Buy Price.

10.2 You may:

10.2.1 place an instruction for a Crypto to Crypto Transaction; or

10.2.2 create an Alert or a Conditional Order Instruction for a Crypto to Crypto Transaction,

10.3 in each case to the extent that the interests in Supported Cryptocurrencies that you wish to buy and sell in the Crypto to Crypto Transaction are a Supported Crypto Pair.

10.4 Fees for Crypto to Crypto Transactions shall be deducted from your Cryptocurrency Account.

10.5 When we place an order for a Crypto to Crypto Transaction on your behalf, you will assign to us your interest in the Supported Cryptocurrency that you wish to sell so that we may use this to fund the Buy Price.

11. Alerts

11.1 Our Alerts service enables you to request that we notify you when your selected Supported Cryptocurrency has reached a specified Trigger Price.

11.2 You may create an Alert by inputting your chosen Trigger Price and confirming your request. Once Alert has been set up:

11.2.1 you will receive a notification when the Trigger Price is reached;

11.2.2 you may view the status of any Alerts you have set up; and,

11.2.3 you may vary, deactivate or delete an Alert at any time.

11.3 For the avoidance of doubt, when the Trigger Price is reached in relation to an Alert, this will not constitute an Order Instruction. You may only submit an Order Instruction as per Section 7 above.

12. Restrictions/limitations on your use of Instant Buy/Sell

12.1 You may only use your e-money balance in your NETELLER Account or, in the case of a Crypto to Crypto Transaction the interests in your Cryptocurrency Account, to buy and sell interests in Supported Cryptocurrencies. You may not use your NETELLER Account or Cryptocurrency Account to buy interests via any cryptocurrency exchange that we do not partner with.

12.2 You may not use the Instant Buy/Sell service to:

12.2.1 use interests in Supported Cryptocurrencies to transact with merchants;

12.2.2 spend your interests in Supported Cryptocurrencies directly on Net+ Prepaid Mastercard you may have;

12.2.3 transfer any interest in Supported Cryptocurrency held with a third party (e.g. in a cryptocurrency wallet you may hold with another provider) into your Cryptocurrency Account; or

12.2.4 transfer any interest in Supported Cryptocurrency from your Cryptocurrency Account to any other account (e.g. a cryptocurrency wallet you may hold with another provider).

12.3 We may apply limits to the number or value of Cryptocurrency Transactions or P2P Transfers you are able to undertake (e.g. limiting the amount of the interest in Supported Cryptocurrency you are able to buy or transfer in a single transaction) if we reasonably think it would help to manage any risk in a proportionate way.

12.4 Any limits as described in subsection 12.3 above will be communicated to you within your NETELLER Account while using the Instant Buy/Sell service prior to any proposed transaction being confirmed by you.

PART C - WITHDRAW TO CRYPTO

13. The Withdraw to Crypto service

13.1 In addition to your rights under section 6 of the NETELLER Account Terms of Use, our Withdraw to Crypto service enables you to:

13.1.1 withdraw all or part of the funds held in your NETELLER Account;

13.1.2 use the withdrawn funds to buy Supported Cryptocurrency from us; and

13.1.3 instruct us to send the purchased Supported Cryptocurrency to a nominated Cryptocurrency Wallet.

13.2 By using the Withdraw to Crypto service:

13.2.1 you will not enter into a relationship, contractual or otherwise, with a Cryptocurrency Exchange;

13.2.2 you will not have a personal Cryptocurrency Wallet with a Cryptocurrency Exchange (though you may register for a Cryptocurrency Wallet separately); and

13.2.3 we will only confirm that the Supported Cryptocurrency has been successfully transferred to your Cryptocurrency Wallet once we have received confirmation of the completed purchase and transfer from the relevant Cryptocurrency Exchange.

14. Withdraw to Crypto Orders

14.1 The Withdraw to Crypto service enables you to withdraw funds from your NETELLER Account to buy Supported Cryptocurrencies and send those Supported Cryptocurrencies to a nominated Cryptocurrency Wallet.

14.2 You may place a Withdraw to Crypto Order Instruction by selecting the option to send money to a Crypto Wallet, selecting your chosen Supported Cryptocurrency, reviewing the applicable Fees and confirming the address of your nominated Crypto Wallet.

14.3 We will fulfil your Withdraw to Crypto Order Instruction by:

14.3.1 purchasing the equivalent amount of Supported Cryptocurrency from a Cryptocurrency Exchange; and

14.3.2 simultaneously instructing that Cryptocurrency Exchange to transfer the purchased Supported Cryptocurrency to your nominated Cryptocurrency Wallet.

15. Restrictions/limitations on the Withdraw to Crypto service

15.1 Although we will instruct a Cryptocurrency Exchange to deliver the Supported Cryptocurrency to you as promptly as possible, funds may be debited from your NETELLER Account before the status of your withdrawal transaction is shown as complete, and it is delivered to your Cryptocurrency Wallet.

15.2 You cannot cancel, reverse, or change any transaction marked as complete or pending. If you do not have sufficient funds, you authorise us – in our sole discretion – either to cancel the transaction or to debit the balance on your NETELLER Account further, in any amount necessary to complete the transaction.

15.3 We will process all Order Instructions on the basis of the information you provide to us. You should

verify all transaction information prior to submitting instructions to us.

15.4 Supported Cryptocurrency transactions cannot be reversed once they have been broadcast to the relevant cryptocurrency network. This means that if you provide us with the incorrect address for your Cryptocurrency Wallet, we will not be able to cancel or reverse the transaction nor restore your NETELLER Account to its pre-transfer position.

PART D – OUR RELATIONSHIP

16. Transaction Records

16.1 Each time you effect a Cryptocurrency Transaction or make or receive a P2P Transfer, we will:

16.1.1 send you a receipt to the primary email address registered to your NETELLER Account, including details about the transaction; and

16.1.2 display the transaction details in your transaction history, which shall include the date of transaction, the Fees charged and, where applicable, the exchange rate applied).

16.2 Each Cryptocurrency Transaction and P2P Transfer is given a unique transaction ID and shown in the transaction history. We will not alter or amend information displayed in your online transaction history.

16.3 You should check your transaction history regularly and you should report any irregularities or clarify any questions you may have as soon as possible by contacting Customer Service.

17. Fees

17.1 The fees we charge for the Cryptocurrency Services (the “Fees”) are set out on the “[Fees](#)” section of our Website. For clarity, the “[Fees](#)” section forms part of these Cryptocurrency Terms of Use. Fees are subject to change in accordance with section 21 (Changes to these Cryptocurrency Terms of Use).

17.2 Each Cryptocurrency Transaction and P2P Transfer will be subject to a Fee, which we will also display prior to each Cryptocurrency Transaction or P2P Transfer (as applicable).

17.3 If your NETELLER Account is denominated in a currency other than Euro, your Cryptocurrency Transactions will be subject to currency conversions. In this case, we will apply foreign exchange fees.

17.4 Fees payable by you in relation to Cryptocurrency Transactions will be incorporated within the Buy Price or Sell Price (as applicable) and will be deducted from your NETELLER Account balance or, in the case of a Crypto to Crypto Transaction, your Cryptocurrency Account, and you hereby authorise us to do the same.

17.5 Fees payable by you in relation to P2P Transfers will be notified to you in advance of the P2P Transfer. Further information is available the “Fees” section of our Website.

17.6 Fees will be charged when the Cryptocurrency Transaction or P2P Transfer is executed. If your NETELLER Account balance or – in the case of P2P Transfers and Crypto to Crypto Transactions – your Cryptocurrency Account is insufficient to cover the Fees, we may refuse to execute the Cryptocurrency Transaction or P2P Transfer. Reversal or chargeback Fees will be deducted when incurred.

18. Termination; suspension; refusal

18.1 You may terminate your access to the Cryptocurrency Services with us at any time by sending us notice in writing.

18.2 We may terminate your access to the Cryptocurrency Services at any time by giving you notice, which may take effect immediately or on such later date as may be specified in the notice.

18.3 We may at any time suspend or terminate your use of the Cryptocurrency Services without notice if:

18.3.1 we are required to take such action by a Cryptocurrency Exchange;

18.3.2 you breach any condition of these Cryptocurrency Terms of Use;

18.3.3 you violate or we have reason to believe that you are in violation of any law or regulation that is applicable to your use of the Cryptocurrency Services;

18.3.4 we have reason to believe that you are in any way involved in any fraudulent activity, money laundering, terrorism financing or other criminal activity; or

18.3.5 it is reasonably necessary for us to do so to prevent you or us contravening any applicable law or regulatory requirements;

18.4 We may suspend your use of the Cryptocurrency Services at any time:

18.4.1 for security reasons; or

18.4.2 if we reasonably suspect the Cryptocurrency Services have been or are being used without your authorisation or fraudulently; and we shall notify you either prior to the suspension or, if prior notification is not possible under the circumstances, promptly after the suspension unless we are prohibited by law to notify you.

18.5 We may refuse to submit an Order Instruction where:

18.5.1 we are required by a Cryptocurrency Exchange to do so;

18.5.2 we are, in our reasonable opinion, required to do so by applicable law, regulation or any court or other authority to which we are subject in any jurisdiction; and

18.5.3 we have concerns about the security of your NETELLER Account or we suspect the Cryptocurrency Services are being used in a fraudulent or unauthorised manner.

18.6 We will try to give you advance notice of any suspension or refusal. Where advance notice is not possible, we will provide you with notice as soon as reasonably practicable thereafter. Unless we are prevented by law (or unless the relevant Cryptocurrency Exchange does not provide us with details), we will try to provide you with details of the nature of the suspension or refusal, the anticipated duration and anything you have to do to remedy any error or circumstances which have led to the suspension or refusal.

18.7 Whilst your use of the Cryptocurrency Services is suspended, we may (using our reasonable discretion) sell off all or some of your interests by providing notice to you in certain circumstances, for example;

18.7.1 if you fail to provide any information we have requested or any warranty/representation you have given us is or becomes, in our opinion, materially inaccurate, incorrect or misleading;

18.7.2 if you take some action (or refrain from doing something) which places us in breach of our legal or regulatory obligations;

18.7.3 if you breach these Cryptocurrency Terms of Use or those of your NETELLER Account; or

18.7.4 for any other reason which we may specify in our notice to you.

18.8 If we sell off your interests in Supported Cryptocurrencies, we will buy back the interest(s) at prevailing market rates. If the value of the Supported Cryptocurrency has weakened, this means that you may incur a loss relative to the amount you initially paid. We will credit the sale proceeds (in your preferred currency) to your NETELLER Account.

18.9 On termination, unless prohibited by applicable law or by any court or other order to which we are subject in any jurisdiction, for a period of 10 days following the date of termination:

18.9.1 you will continue to be able to view the balance of your interest(s) in Supported Cryptocurrencies on your NETELLER Account dashboard;

18.9.2 you will not be permitted to buy any further interests in Supported Cryptocurrencies or make or receive P2P Transfers; and

18.9.3 you may – at our discretion – sell your interests in Supported Cryptocurrencies back to us.

18.10 If at the end of the 14 day period you have not sold down all your interests in Supported Cryptocurrencies, you authorise us to buy back your interests at the best available price via the relevant Cryptocurrency Exchange. The proceeds of such buy back will be credited to the e-money balance in your NETELLER Account.

18.11 For the avoidance of doubt, if your NETELLER Account is terminated or suspended your access to the Cryptocurrency Services will also be terminated or suspended (as applicable).

19. Limitation of Liability

19.1 Nothing in these Cryptocurrency Terms of Use shall operate to exclude liability for death or personal injury due to negligence or for fraud or fraudulent misrepresentation or for any statutory liability that cannot be excluded or amended according to applicable laws.

19.2 Subject to section 16.1, we shall not be liable for:

19.2.1 any disruption or impairment of our service or for disruptions or impairments of intermediary services on which we rely for the performance of our obligations hereunder, provided that such disruption or impairment is due to abnormal and unforeseeable circumstances beyond our reasonable control or the control of the intermediary affected;

19.2.2 any indirect or consequential losses including but not limited to loss of profit, loss of business and loss of reputation;

19.2.3 any losses arising from our compliance with legal and regulatory requirements;

19.2.4 the assessment or payment of any taxes, duties or other charges that arise from your use of the Cryptocurrency Services;

19.2.5 any losses arising from the inaccuracy or incompleteness of any market data provided to you in the course of us providing the Cryptocurrency Services (whether such data is provided to us by a Cryptocurrency Exchange or otherwise);

19.2.6 any losses arising from any act or failure to act by a Cryptocurrency Exchange or the provider of any Cryptocurrency Wallet; and

19.2.7 any losses arising from incorrect instructions received by us from you.

20. Complaints

20.1 If you have a complaint in relation to the Cryptocurrency Services you should contact Customer Service. You should clearly indicate that you are wishing to make a complaint to us. This helps us to distinguish a complaint from a mere query. We will send you a complaint acknowledgement by post or by email within 48 hours of receiving your complaint in accordance with our complaints procedure. A copy of our complaints procedure is displayed on our Website.

20.2 We endeavour to provide you with an answer or resolution to your complaint within 15 business days. Should this not be possible due to unforeseen circumstances or lack of information, we will contact you.

20.3 Please note that as the Cryptocurrency Services are not regulated by the FCA you will not have any recourse to the Financial Ombudsman Service in the event of a complaint.

21. Changes to these Cryptocurrency Terms of Use

21.1 We may change these Cryptocurrency Terms of Use upon notice to you by sending an email to the primary email address registered with your NETELLER Account. The change may take effect immediately or on such later date as may be specified in the notice.

21.2 We can change these Cryptocurrency Terms of Use for any of the following reasons (without limitation);

21.2.1 because of a change in legal or regulatory requirements;

21.2.2 if the change benefits you, for example when introducing new products or services or improving existing ones;

21.2.3 to reflect a change in our costs of running the Cryptocurrency Services;

21.2.4 where this is necessary due to market changes including any actions taken by a Cryptocurrency Exchange that might limit NETELLER's ability to fulfil an Order; or

21.2.5 to respond to any other change that affects us, if it's fair to pass on the effects of the change to you, for example to reflect developments in the cryptocurrency market.

21.3 We may also make changes for any other reason that we cannot foresee, for example to respond to changes in the cryptocurrency industry that affect how we wish to deliver the Cryptocurrency Services to you.

21.4 The proposed change may come into effect immediately (if required by law/regulation or because of requirements imposed on us) or upon such later date as may be stated in the notice, unless you have given us notice that you object to the proposed change before the change comes into effect. Changes that are required by law or make these Cryptocurrency Terms of Use more favourable to you shall come into effect immediately if so stated in the change notice. Changes to currency exchange fees shall come into effect immediately without notice and you shall not have the right to object to such a change.

21.5 If you object to the changes, they will not apply to you. However, any such objection shall constitute a notice by you to terminate your access to the Cryptocurrency Service and you will no longer be able to use the Cryptocurrency Services.
